Fee for registration is 150 EUR/1,120 DKK.

Payment will be handled by The Research Foundation for General Practice (*Forskningsfonden*).

Participants who are not affiliated with a Danish organisation will have to pay via bank transfer to *Forskningsfonden*. Participants affiliated with a Danish organisation have the option to pay via invoice. Further information about each payment option will be sent after registration.

No money will be refunded due to cancellations.

Abstract submission

We invite you to submit an abstract. We will give first priority to original research not yet published before the abstract submission deadline, second priority to original research already published.

We also accept a limited number of ideas for upcoming projects – new ideas for international projects will be prioritised.

Abstracts should adhere to the following format:

- Maximum word count: 250
- Category to be indicated: ‘original research (not yet published)’, ‘original research (published)’ or ‘research idea’
- Structure for ‘original research’: background, aim, methods, results, discussion
- Structure for ‘research idea’: rationale, objective, design, discussion/questions

Please chose among the suggested topics to categorise your abstract:

- 1) Respiratory tract infections
- 2) Urinary tract infections
- 3) Point-of-care testing
- 4) Antibiotic stewardship
- 6) Other, please specify

Please upload your abstract by clicking [HERE](#)
Deadline for **abstract submission is 1st May 2023.**
